**We are an aspirational place where learners grow.  
Our school is kind and happy and we respect and celebrate the differences in ourselves,  
our community and our world.  
Our children become responsible, determined and independent citizens.**

Good Afternoon Everyone,

A quiet couple of weeks at school, but we still have some important things to share with you.

## **South Craven Library & Reading**

We have been informed that South Craven Library are now hosting Pet Therapy sessions on Mondays between 4.30-5.30pm. These relaxed, free, drop-in sessions, are for anyone who would like to go along and spend some time with Buddy, and his owner Jane. You can see a lovely picture of Buddy on the attachment in this email. We know that animals and pets can enhance Health and Well-being for all age groups and we are currently training our own Therapy Dog at the moment, the lovely Bella, with a view to her coming into school once a week later this year.

Reading is such an important part of learning, as it opens the doors to all subjects and regular practice and enjoyment of reading is so very important. Children access reading practice and group reading every day at school, but we welcome your support in encouraging them to read a little at home every night. This will support them in becoming confident with their reading in school and impact on their use of vocabulary in their writing. Get reading everyone!

## **Parent Governor Election**

We are still looking for an additional parent Governor to join our Governing Body. Please find attached to the same email as this newsletter, a letter from our Chair of Governors, David Smith and all the supporting documents and information you need should you be interested in this role.
