Friday 31st March 2023

We are an aspirational place where learners grow.
Our school is kind and happy and we respect and celebrate the differences in ourselves, our community and our world.
Our children become responsible, determined and independent citizens.

Good evening everyone, another term comes to a close!

The time this year feels like it is flying. We have had a fantastic end to the term this week with allsorts of wonderful performances and achievements celebrated.

Year 1 & 2

Year 1 & 2 visited the Bradford Industrial Museum this week and we have had some lovely feedback about how beautifully behaved and respectful the children were whilst they were there. Thank you to all the staff for making this opportunity happen for the children, these things don't happen by themselves!

Year 2 Assembly

Thank you to all the parents and family that came to support Year 2 with their assembly. For such young children to stand up and speak confidently in front of so many people is a real achievement. Thank you also to the staff who made this come together and enabled these children to shine.

Year 3 & 4 Production—Pandora's Box

There was a lot of adrenaline on stage at the Glusburn Institute last night when Year 3 & Year 4 wowed the audience with their happy and energetic performance. The children had done this twice by the time they left the theatre having performed for the school during the day! A huge well done to the children for all their energy and for making so many people smile. A massive shout out to the team who helped the children put this together - Miss Dean, Miss Robinson, Miss Guy, Mrs Kerr, Miss Baldwin, Miss Day and Mr Clayton - and to you, the parents, a big thank you for providing all the wonderful costumes and being such a fantastic audience on a rainy Thursday evening.

Coronation Event

On Friday 5th May we will be having some Coronation celebrations in school. The children will be invited to wear red, white and blue and we are hoping to host a community street party in the playground. Donations of cakes and buns will be welcome to help with this but more information will come out once we return after Easter. We will also be designing coronation mugs that can be bought as gifts, showing off your child's individual design. All money raised will be put into school funds and spent on the children.

[Multi Skills - KS2 \(Y3/4/5/6\)](#) - £15.00 for 6 week course (£2.50 per session)

Race for Life

Our amazing fundraising team are all set to host another 'Race for Life' event this year, to raise funds for Cancer Research UK and this has been scheduled for Friday 23rd June. Those of you who have experienced this before will know what a hugely successful event this is and those new to our school, you're in for a treat. We would love you all to get involved. By taking part in 'Race for Life' and uniting together against cancer, you will be doing something very special. Cancer Research receives no Government funding, so the more of us who join the fight against cancer, the more money we can raise to beat it sooner. Miss Ibbotson and Miss Blackie will be sending out more information after the holiday so that you can begin collecting sponsorship.

FRIENDS of Sutton CP

The FRIENDS are having a chocolate tombola stall at the Sutton Fun Day on June 18th this year. They are planning a non-uniform day on Friday 9th June where the donations will be a chocolate item for the stall. The FRIENDS have many ideas to raise funds for school and we welcome you to get involved where you can. The funds raised are so welcomed by the children and allow us to splash out on some real 'nice-to-haves' for all our school.

READY—RESPECTFUL—SAFE

Competition winner! We had 21 entries into our competition and here is the winner who was presented with a large Easter Egg at celebration assembly this afternoon. Well done **Niamh Bray** in Year 4!

And finally, whatever your plans are over the next two weeks, we all hope you have a peaceful Easter. Time for all our children and staff to re-charge their batteries before we start our final term on this academic year. Stay safe everyone and we look forward to welcoming you all back on

TUESDAY 18th APRIL.

Wishing you all a safe and happy holiday!

Anna Riley
Headteacher

Class Assemblies

Please see the dates for each class below:

Year 1 —Wednesday 24th May 3:00pm

Year 3—Wednesday 19th July 3:00pm

Reception's Assembly will take place during the Summer term and this date will be confirmed nearer the time.

SPORTS NEWS

Tag Rugby Festival a word from the children

On Wednesday we went to a Tag Rugby Festival at South Craven. We scored 17 tries altogether. There were 10 different schools that took part but we only played against 5 schools - Glusburn, Steeton, Cononley, Kildwick and Silsden. There were no winners chosen, but South Craven sports leaders picked three people from our team for good sportsmanship and teamwork - Poppy, Nathan and Willow who got a medal. But we all performed our best and I really enjoyed it. Thank you to all the parents who came and supported us. Most importantly a MASSIVE thank you to Mrs Howes for helping us reach the best we can be!!

By Eva Y6

On Wednesday this week, we had a tag-rugby festival and me and some of my other friends attended it. We had lots of fun and did the best that we could. They split the schools into two groups, Group A and Group B, we were in Group B. We were against Kildwick, Steeton, Glusburn, and Cononley. We all really enjoyed playing and won 4/5 games which we all cheered for. In the end there were no winners since it was a festival, but 24 kids got medals for their sportsmanship. From the Sutton team Nathan, Willow and I got chosen.

I just want to say a massive thank you to our P.E teacher Mrs Howes who has helped us through so much and who has been the BEST P.E teacher EVER!!

Thank you!
Poppy Y6

On Wednesday afternoon, a Tag-Rugby festival was held at South Craven. 10 different schools of year fives and sixes attended and each school played five games. Altogether we scored around 21 tries! We played against some amazing schools - Kildwick, Glusburn, Cononley, Steeton and Silsden.

We won four matches, only our last game against Silsden school was very tight which they won by one point.

24 medals were handed out at the end of the festival and 3 pupils from our school got it - me, Nathan and Poppy.

It was so fun and we all played our best, the parents were so supportive (and loud), we all worked together and got along really well and were cheering on each other really really hard.

Tag-Rugby was my favourite festival,
By Willow year 6

SPORTS NEWS

Kildwick vs Sutton CP Netball Festival

Today, a wonderful group of 14, Y6 Kildwick pupils came to the netball festival we hosted in the MUPA in Sutton Park. Our children had been super excited about this event for weeks, and it did not disappoint.

With 2 Kildwick teams and 3 Sutton CP Y5/6 teams, we had a very busy hour with lots of thrilling matches played against each other. It was a privilege to witness such great attitude, sportsmanship, teamwork and joy from every single player involved. All the children enjoyed this experience and there was a sea of smiley, happy faces at the end, leaving both parties wanting for more. We are very grateful to the Kildwick team for walking down to us and making this festival possible.

Well done Team Sutton and Team Kildwick - you were brilliant! Also, a massive thank you goes to our amazing Y6 sports leaders who refereed, took scores and photographed this event - you are superstars!

Mrs Howes

The amazing staff who made this happen! Thank you Mrs Howes, Mrs Whitehead and Mr Whitehead!

Children - The Sleep Charity

thesleepcharity.org.uk

Quality sleep is essential for children's growth and development. A decent night's sleep will help them to do better at school, allow them to react more quickly to situations, have a more developed memory, learn more effectively and solve problems, plus it will make them less susceptible to colds and other minor ailments, less

A new gardening campaign called Let It Grow has been launched by the BBC.

The campaign wants to help people transform dull, grey outdoor spaces into wild and colourful ones by growing flowers and vegetables.

The organisers are aiming to give away millions of free seeds for people to plant in the UK, to grow things like nasturtiums, marigolds, sunflowers and calendula.

As well as this, a special show from the brand new Blue Peter garden in RHS Garden Bridgewater will air, with fans able to get their hands on [Green badges](#) by joining in .
