We are an aspirational place where learners grow.

Our school is kind and happy and we respect and celebrate the differences in ourselves, our community and our world.

Our children become responsible, determined and independent citizens.

Good evening everyone,

Welcome back! We have had a lovely week in school welcoming the children back to school and hearing all about their time away from the classroom. It has been a successful and happy start to the year and we are all looking forward to everything that this year will bring.

Just a few safeguarding reminders for the start of the year...

Absence and lateness

If you know your child is going to be absent from school please make sure you telephone the school office on 01535 633064 by 9:30am to ensure that the correct registration mark is given and staff can be informed. Please leave a voice message on the school answering service if you are unable to telephone during office hours. Please do not send emails on the first day of absence as these may not be picked up by 9:30am.

Our school gates open at 8:50am and the school doors at 8:55am. The classroom register will close at 9:10am and any children arriving after this time are required to come to the school office accompanied by an adult to sign the late register. If a child has been authorized to walk to school independently, they must sign themselves in at the school office. This sign-in register is very important and we welcome your support in making sure that is completed appropriately. Any child arriving after 9:10am will receive an authorised late mark.

If a child has not arrived in school by 9:30am and we have not received a telephone call/message regarding a known absence, the school office will telephone home to investigate the absence further. Any arrivals after this time will be an unauthorised late mark.

After school club attendance

If you know that your child has been added to an after school club register and will not be attending the club, please telephone the school office so that your child's name can be removed from the club register, before 3:15pm. Taking a child as they are released with their class at the end of the school day, without notifying the office, can cause unnecessary safeguarding concerns and miscommunication.

All our evacuation procedures are dependent upon registers being accurate so we welcome your support with this.

After School Clubs

We are delighted to announce that the KS2 choir has started again this September. The choir is open to all children in KS2, is free of charge and lead by Mr Clayton and Miss Baldwin. Choir will meet every Tuesday from 3:30pm until 4:30pm in the school hall. We have a very exciting year planned with local singing performances over the autumn term and a trip to Manchester Arena in February.

Mr Hazel and Mrs Millbank are returning to lead football, multi skills and gymnastics after school again. We also welcome Mr Millbank this term to provide a racquet sports club for KS2 children.

All the details of the clubs are on the website so please book your children on as soon as possible (click on links below).

PE Uniform

Children should come to school wearing the following uniform on PE days:

- School sweatshirt - jade or purple with embroidered badge
- Black or grey jogging bottoms or leggings
- Plain white T-shirt (no branding)
- Plain unbranded trainers with a rubber sole - preferably black or white

Tuck Shop

The school tuck shop will start again next week. It is recommended that children bring small change to school in a named wallet. Items are priced between 30p and 50p. Children can buy one item only on their specified day.

Monday - Year 1, Tuesday - year 2, Wednesday - year 3, Thursday - year 4, Friday - Years 5 and 6.
Reception will start tuck-shop on Monday's w/c 18th September.

Parking

Finally, a polite reminder about parking around school at the start and the end of the day. We appreciate how limited the parking is but please refrain from parking in front of residents driveways, on zig zag lines etc. The children's safety is our highest importance and we have already had reports of some inconsiderate parking and driving, particularly at the end of the school day. It is much better to arrive safe and well and maybe a little behind schedule, rather than not at all. Please look after each other.

Thank you all for your support with this.
