

Ready Respectful Safe

There are lots of different ways we can get recognition for the good learning behaviours we show here at Sutton in Craven CP School.

If we are not following our core rules of 'Ready Respectful Safe', we know that the following will happen in a stepped approach.

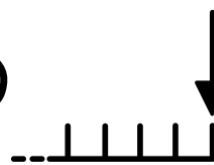

1. A Reminder

(In private)

2. A caution

(Think carefully)

3. Last chance

(2 mins out)

4. Time out

(Breathe & Calm)

5. Repair

(Check in by adult)

Sometimes the adult may need to act quickly if behaviour is unsafe or disrespectful.

1. We will be 'parked' and our parent/s or carers will be told.
