School meals cost £2.10 per day for each child. They are freshly cooked each day in our kitchen by Mrs. Johnson. Meals must be taken as a full week. With the exception of promotional meals (such as Christmas Dinner) we do not have the capacity to offer 'one off meals'. For ordering purposes the school office requires one week's notice to change to/from school meals. **This is still the case even if your child has a free school meal in KS1.**

Moving on ...

Children have all spent two sessions with their new teachers over the last couple of weeks getting to know each other. Staff have had a meeting with your child's previous teacher to enable information to be passed forward. There will be an opportunity during the first few weeks of the new year for you to meet your child's new teacher and hear about the year ahead.

KS2 Pinnacle Walk

We are planning to take all the children in KS2 on our annual end of year picnic walk to 'The Pinnacles' on Monday 17th July.

Please ensure your child has suitable walking shoes or boots and a waterproof jacket. Children can come to school in tracksuit bottoms/shorts and their school sweatshirt. Please apply sunscreen before school if the weather is warm. A sunhat or cap may be worn. If the weather is bad, the walk may not take place.

Children will need to bring a healthy packed lunch and a drink in a small rucksack. If your child has a free school meal, a packed lunch will be provided but we ask that your child brings a rucksack in which to carry it.

We will need lots of volunteers to help on the day. Any parents/grandparents who are available to help would be very welcome to join us. We will be leaving school at 10.00am and returning in time for the end of the school day. Please can you let us know if you would like to join us?

Permission for this event is covered by the global consent form for local visits. However, if you do not wish for your child to take part, please notify us in writing so that we can plan provision for them in school on that day.

This promises to be a lovely way to round off our school year. Thank you for your support.

Sports Day Success!

It was third time lucky for sports day this year—we had a lovely day (not too hot and not too cold) in Sutton Park. It was great to see so many family and friends supporting the children in a variety of sporting endeavours. Excellent sportsmanship was on display and everyone had a great time.

Wind in the Willows—Parp Parp!

Y5 and Y6 staged a memorable production of *Wind in the Willows—The Musical* at the Fells Theatre, South Craven School this week. Supported by their friends and families in the audience, the young cast acted, sang and danced like professionals. Several of the audience were heard to comment that it was difficult to believe that they were 'just children'

We clearly have some talented stars of the future in our midst.

Special thanks go to;

- Miss Baldwin and Miss Dunkley for producing the show
- Mrs Colley, Mrs Broughton, Mrs Gray and Miss Whitham for their support on the night
- Families for providing such great costumes and helping to learn scripts
- Peter Howarth at South Craven School for Technical Support

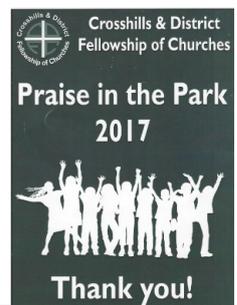

The production was truly memorable with words from one of the songs felt really poignant to those watching in the audience; most especially the families of Y6 pupils who are now preparing to leave us;

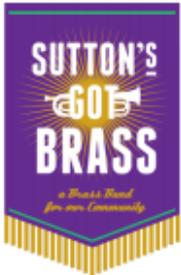

*'It's funny to think of how we've come to be
The finest of friends, the best of company.
Many an adventure and places we have seen,
These are the happiest days of our lives.'*

Praise in the Park

We have received the following letter from Crosshills & District Fellowship

'Thank you so much to all the children and staff who took part in Praise in the Park. The singing was wonderful—the children were a credit to the school—and we had lots of comments about how well they had all done. We hope that you will all be able to join us again next year.'
