Battered Fish Portion

Peas & carrots
Chips
Wholemeal Bread

Vanilla Muffin
Fresh Fruit

School meals cost £2.10 per day for each child. They are freshly cooked each day in our kitchen by Mrs. Johnson. Meals must be taken as a full week. With the exception of promotional meals (such as Christmas Dinner) we do not have the capacity to offer 'one off meals'. For ordering purposes the school office requires one week's notice to change to/from school meals. **This is still the case even if your child has a free school meal in KS1.**

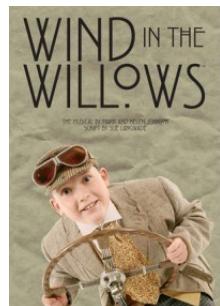

Staffing News - We are pleased to let you know that Miss Simone Dean has been appointed as a class teacher from September 2017. Y5 parents will remember Miss Dean as she completed a very successful teaching practice here in term 1 of this year. Since then Miss Dean has completed her final placement at St Anne's Primary School in Keighley before being awarded her qualified teacher status from Leeds Trinity University. Miss Dean plans to be a regular visitor to school this half term so you will have a chance to say hello!

Y5 & Y6 Performance Thursday 13 July

Join Ratty, Badger, Mole and the impulsive Toad as they embark on a series of riotous adventures spiralling from Toad's insatiable need for speed! Beep Beep!

Rehearsals are now well underway for 'Wind in the Willows' which will be performed at the Fells Suite at South Craven @ 6pm

SUTTON FUN DAY—Sunday 18 June

Meet us in the park, at the Gala, on Sunday and see if you can win your chocolate back!

All proceeds will go towards supporting our Sponsored child, Hein, in his education for another year.

Sports Day 2017 ...

....will be held in Sutton Park (weather permitting) on Tuesday 27 June

- 9.15 EY and KS1
- 1.15 KS2

We have a reserve date of Thursday 29 June if needed.

Planning for 1718

As time continues to fly, teachers have spent a day together this week planning learning for next year. There's lots of exciting things already planned including a history and geography focus in Term 1 and a 'Russia' theme linked with the World Cup 2018 in the Summer Term. Following the huge success of our industry link with Airedale Chemicals, we are looking to further develop further links with local businesses—if you think you may have a possible link please let Mrs Fletcher know.

Curriculum Plans

Remember to go to your child's class page on the website and look in the curriculum section for an overview of learning this term.

We are proud to let you know that our very own Mrs J and Team have once again been awarded the **highest possible food hygiene rating** by Craven District Council. They are inspected under three areas

- Compliance with food hygiene and safety procedures
- Compliance with structural requirements
- Confidence in management/control procedures

Dear Dads, Uncles, Grandads and Special Guests

We would just like to say a very big thank you to everyone who came to our Father's day lunch on Friday 16 June. All the children had an amazing day and enjoyed sharing their lunch time with their special guest. We hope you enjoyed your lunch as much as we enjoyed your company. Hope to see you all again next year

Mrs J, Mrs Chapman, Mrs Hardaker and Team
(Photos to follow next week)

Y1 Phonics Tests

Y1 have completed their National Phonics screening test this week and have done us proud. Teachers will share the results as part of the annual report once all the figures have been checked. However, we can give you a heads up—they did brilliantly! Well done to everyone who has worked so hard to enable the children to do well. We're growing some great readers here at Sutton CP!

A Cross Hills chemical company has inspired our pupils to consider a STEM-related career following its recent partnership with OUR school. Airedale Chemical invited Y4 pupils to a day of experiments and an insight into working in the chemical industry.

A survey carried out after the event found that almost all of the pupils (97%) said they were now more interested in science as a result of their visit to the Yorkshire chemical company.

More than half (65%) said they wanted to work in a science-related career when they were older and 71% had decided that science was now their favourite school subject because of their experience with Airedale Chemical.

The theme of the activities were designed to fit in with the school's current science curriculum and a huge 94% of pupils said the partnership with Airedale Chemical had helped them to better understand the 'Living Things' module of their learning.

David Horton, Y4 teacher, said: "It is so encouraging to see the children embracing the sciences in this way. It is easy to opt for subjects like art, design and physical education but it's great to be able to boost their interest in STEM subjects like science and chemistry which can be equally creative, fun and rewarding."

Head of Marketing at Airedale Chemical, Daniel Marr, added: "When we collated the results of this survey we were overwhelmed by the positive feedback we received. The whole aim of the partnership is to share the knowledge and expertise we have within the company and to spark a greater interest in science and STEM amongst future generations of possible scientists.

"One hundred per cent of the pupils said they were keen to take part in future visits to the site so this is the most fantastic result we could have hoped for."

Additional comments received via the survey included; 'Thank you for letting us come', 'It was great', 'I loved it' and 'Can we come again?'

SUTTON'S GOT BRASS

...is **your** local brass band - and we need more players - of any age and any ability - even if you have never played a brass instrument before.

We will teach you how to play and lend you a brass instrument of your choice for as long as you play with us.

We meet at 7.00pm every Wednesday at:

Sutton CP School
Bridge Road
Sutton-in-Craven

We have members of all kinds from 8 years old upwards and you will be sure of a friendly welcome.

Our Membership costs are less than £1 a week and includes the tuition and the musical instrument!

You may have seen us at local events - join us and you will never have had so much fun sitting down.

For more information contact:

Kevin Allack on
01535 605316
07958 011316
