School meals cost £2.10 per day for each child. They are freshly cooked each day in our kitchen by Mrs. Johnson. Meals must be taken as a full week. With the exception of promotional meals (such as Christmas Dinner) we do not have the capacity to offer 'one off meals'. For ordering purposes the school office requires one week's notice to change to/from school meals. **This is still the case even if your child has a free school meals in KS1.**

Y1 & Y2 Present...

Pirates Versus Mermaids

This week the children and staff of Y1 and Y2 led us all on a swashbuckling musical journey across the seven seas. We had gorgeous, glittering mermaids with jewelled faces and flowing, fishy tails and a shipload of dodgy looking pirates complete with eye patches and earrings (several of them had taken the trouble of growing beards and moustaches for the show!)

The story was set in Me Hearty High School - the most distinguished pirate school in the land (or should that be seas?) The trainee pirates couldn't wait to graduate and become proper pirates, there was only one problem... none of them could swim! This meant that they had to face up to the fact that they would fail their 'Arr' levels and then what would they do? The answer to their problem lay with the mermaids, but as everyone knows pirates do not like the mermaids and the mermaids do not like the pirates. Y1 and Y2 showed us how they all learned to get along! There were seven fantastic songs and a hilarious script—our children were word perfect and sang loudly and with gusto (particularly the pirates) Our audience clapped and cheered and by the end everyone's face ached from smiling—thank you everyone—children, parents and staff for such a memorable evening of merriment on the high seas!
