

We are an aspirational place where learners grow.

Our school is kind and happy and we respect and celebrate the differences in ourselves, our community and our world.

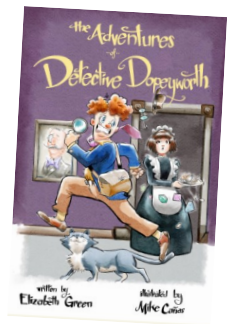

Our children become responsible, determined and independent citizens.

Good Evening,

Another exciting week in school with a big focus on all things reading related...

Author Visit

On Tuesday we welcomed Elizabeth Green who came to talk to the children about being an author and shared her book 'The Adventures of Detective Dopeyworth'. All the children had the opportunity to meet her, chat with her and ask questions about her journey to becoming an author.

World Book Day

What a fantastic turn out we had for World Book Day! It was such a fun and exciting atmosphere across school, with lots of activities taking place that all centered around reading and storytelling. We even had a visit from the Reception children from Sutton CE School, who came to read with our Reception Class. Thank you to all the adults who made these amazing memories happen for our children, especially the creative costume makers and face painters!!

Would you like to get involved in the

In the NEWS!

Airedale Chemicals have provided school with our new sports tops for all our sporting events. The full article which appeared the Craven Herald can be found at this [link](#).

We have been lucky to have a special relationship with this company since 2017 and regularly join forces to enhance our children's enjoyment of the sciences, with the group hosting days on site, experiments in their labs, and donating science-related books and equipment.

School PE Uniform

A polite reminder about PE uniform.

Our policy on school uniform is based on the notion that school uniform:

- promotes a sense of pride in the school;
- engenders a sense of community and belonging towards the school;
- is practical and smart;
- identifies the children with the school;
- prevents children from coming to school in fashion clothes that could be distracting in class;
- makes children feel equal to their peers in terms of appearance;
- is regarded as suitable wear for school and good value for money by most parents;
- is designed with health and safety in mind.

We do have a 'New to You' uniform option in school, which we encourage you to use—please contact the school office. Before we finish for summer we will have a formal 'New to You' sale in preparation for September. We have so much nearly new uniform it seems such a shame not to re-use and get the very most out of it, whilst saving a few pounds. If your child has long hair, this needs tying back on PE days and earrings need removing or covering with tape—these are health and safety measures we must adhere to. Finally, leggings and/or jogging bottoms must be kept to either black or grey to avoid any unnecessary distractions for the children. As always, we appreciate your support with this.

Quality sleep is essential for children's growth and development. A decent night's sleep will help them to do better at school, allow them to react more quickly to situations, have a more developed memory, learn more effectively and solve problems, plus it will make them less susceptible to colds and other minor ailments, less
