

7th September 2018

Dear Parents/Carers

We are delighted to be able to tell you that we will be having a visit from the '**Science Dome**' on Wednesday next week; 12th September. This is an exciting interactive opportunity for all classes to have a chance to experience a 360 degree film in a 6 metre wide, 3.5 metre high dome, bringing science to life. Each group will have a show linked to their learning and we are hoping that this will be a really engaging start to our term.

We are asking each pupil to make a voluntary contribution of £1.50 towards the cost of this event, however all pupils will take part regardless of their contribution. Please send your cash donation with your child on or before next Wednesday. The money raised in school by the Pupil Voice Fiver Challenge is also being used to subsidise this event.

Many thanks for your support with this exciting opportunity.

Best wishes

Louise Bailey and Jill Fletcher
