	We talked about this (title)	We decided this
1	Introducing the <i>Global Goals</i> to the group. We talked about the problems around the world.	We've decided that we're going to focus on poverty, obesity and better education.
2	We've discussed which goals are more important to work in our community. What are the biggest problems faced by people in our community.	Next step is how we are going to help to achieve them.
3	We talked about our display.	We are doing a display "Heroes for change" the purpose is tell everyone and do something about it.
