	We talked about this (title)	We decided this
1	Introduce Adele.	Adele came and she worked with the group to introduce the big question for the Spring Term.
2	Open Day.	We talked about the open day and what would happen. Lottie and Natasha were given a permission form to see if they could be here to represent school council and show people round. Other children wanted to be at school for the T&L group and names were picked out of a hat to decide.
3	Scrapbook.	Each child was given a piece of paper to write about themselves to put in the scrapbook.
