The Big Build Begins

At last it's nearly here—we have been waiting for the commencement of the build of two new classrooms here at Sutton CP. The great news is that after delay of a year (yes really!) the project is scheduled to begin on site week beginning Monday 25th June. The full project is scheduled to be complete on Monday 20th August and will provide us with much needed new space. The existing Y5 classroom will be demolished two new classrooms, a study and toilets erected in its place. These two classrooms will be used by Y5 & Y6 from September.

Obviously this means that, for the last four weeks of term, there will be contractors on site and most of the front playground will become their compound. For the final few weeks of term, Y5 (32 children) will be moving to the current Y6 classroom and Y6 (20 children) will be based in 'The Nest.' Whilst we are all looking forward to having the additional space, we recognise the challenge it will present to staff, children and parents so ask for your patience and support for the duration of the works. As always the Health and Safety of our school family remains our primary concern.

Here's how you can help...

1. The front gate will be out of action during the works—part of the wall will be demolished (and then rebuilt) to accommodate access to the site. During the project you should use the gate adjacent to the park for all access into school.
2. Please make every attempt to **walk to school** if you can—you may need to park your car further away from school than you usually do.
3. If you can offer practical support in terms of packing classroom contents please see Ms Dunkley and/or Miss Dean (who would be very grateful!)
4. We will keep you up to date with the schedule of works
5. If you have any concerns regarding the site, please discuss them with Mrs Beetles.

School meals are free for YR/Y1 & Y2 and cost £2.10 per day for other year groups. Meals are freshly cooked each day in our kitchen by Mrs.

Johnson. Meals must be taken as a full week. With the exception of promotional meals (such as Christmas Dinner) we do not have the capacity to offer 'one off meals' For food ordering purposes **the school office** requires one week's notice to change to/from school meals.

General Protection Regulation (GDPR)

As you're probably aware, the General Data Protection Regulation is came into force at the end of last month and we've now updated our privacy policies. The pupils' privacy notice can be found on our website. This is to comply with GDPR; protecting your and your child's personal information. We're not changing how we use or collect your information and we will continue to ensure data is not shared with unauthorized third parties. Rather, our updated policy more clearly explains how, why, where and when we store and process your data, and also reflects your rights and the rights of your child under the GDPR.

If you requested that you receive the weekly newsletter electronically, we will continue to assume that you consent to receive this. We regularly update the mailing list (removing parents of ex-pupils), however, you can change your mind at any time. Please click on the link in this [email](#) to update your preferences or contact administrator@suttoncp.uk.

Rounders Write Up

!On Tuesday our team of Y5 pupils took part in Rounders Tournament at South Craven. We played three games in total and were only 1 rounder away from going through to next round. I have to compliment the whole team in their efforts - you all gave your very best, were supportive of each other and showed respect to everyone else. I was impressed. And although we didn't win any medals, it is important to appreciate that you played a good game despite of very little practice time and lots of last minute changes in team members. I thought you showed true resilience and sportsmanship by not once giving up and trying your hardest. And for that I am very proud of each and every one of you.

Mrs.Howes

Star Wars Science.

Last week was Star Wars Science event at South Craven School. Ten of our Y4 and Y5 pupils took part in four science based challenges ; making light sabres, mission to death star, making alien slime and 'May the Force be with You.' Everyone was blown away by how much fun science can be. Children got to create variety of amazing glow-in-the-dark light sabres, make the gooiest, slimiest slime, experience hair-raising force of electricity and send loads of popping rockets to the space. All that using household materials and chemicals and a knowledge of science. It was thoroughly engaging and a lot of fun too. Well done to everyone who took part.

Picture News

What's going on this week?

Next week's Big Question

What does your family think?

By having regular conversations about the news you are able to share a whole range of topics and together make more sense of different events, issues from the worlds of sport, entertainment, music, science, etc. as well as local news closer to

Communication with School

We want to use as many ways as possible to keep in touch with you.

How we tell you what is going on in school...

- [Facebook*](#)
- [Website](#)
- Regular Newsletter
- (on website and emailed by request)
- Twitter

If we need to get in touch with you

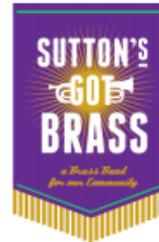

- We will use the contact information you have provided—if this changes, you need to let us know.

If you'd like to get in touch with us please

- Phone us 01535 633064
- Email: administrator@suttoncp.uk

Please don't use Facebook to try and contact school.

Mrs Beetles & Mrs Fletcher are in the playground most days before and after school.

SUTTON'S GOT BRASS

...is **your** local brass band - and we need more players - of any age and any ability - even if you have never played a brass instrument before.

We will teach you how to play and lend you a brass instrument of your choice for as long as you play with us.

We meet at 7.00pm every Wednesday at:

Sutton CP School
Bridge Road
Sutton-in-Craven

We have members of all kinds from 8 years old upwards and you will be sure of a friendly welcome.

Our Membership costs are less than £1 a week and includes the tuition and the musical instrument!

You may have seen us at local events - join us and you will never have had so much fun sitting down.

Family Fundraisers

Can you support fundraising for our school?

We've got all sort of plans....

(A story garden, a community room, a new trim trail, an extension to the tree house, a parents' library...)

Jill Taylor and Keira Burns (two of our parent governors) want to relaunch our 'Family Fundraisers' for Mums, Dads, Grandmas, Grandads in fact anyone who wants to be involved! If you're up for the challenge and have lots of time or even just a little time please contact either

Jill.taylor@suttoncp.uk

Keira.burns@suttoncp.uk
