Stay and Play

Fri 14th June

Fri 21st June

Fri 28th June

Thurs 13th June

Parents' meeting

'Smooth transition  
to Year 1'

5pm

Friday 21st June

School Art Exhibition

Thursday 27th June

Sports Day

Wed 17th July

EYFS Pizza Party

Don't forget we love to see what you are up to at home. If you need any help adding these to Tapestry, please come and see us. The Early Years Team.

## Summer Term 1

Well, it's been a very short but busy half term; we have had the butterflies (which are going home with Freddie for the holidays) and our wonderful hatching eggs which have given us hours of joy. I have been in touch with the *Guide Dogs* about our sponsor dog and I am waiting to hear back from them about our puppy. The children are going from strength to strength with their learning and all the pieces of the puzzle are coming together. This term we introduced Butterfly stories and we have listened and scribed some amazing stories from the children. We have enjoyed using the large equipment in PE and are looking forward to moving our PE sessions outdoors next half term.

## Self-service Baking Area

This term we have introduced a self-service baking area. The children were a little apprehensive at first but have really enjoyed using the area and, after a little bit of trial and error, they have made some wonderful bread creations. After half term we are developing the area and will be adding some more ingredients so the children will also be able to choose to make buns and cakes.

## Warmer weather.

As the weather is becoming warmer, we please ask that you send your child to school with sun cream already applied, a sun hat and a freshly filled water bottle. The children love to be outdoors so these are essential to keep the children safe in the sun.

## Summer Term 2

Next half term we will be learning all about Superheroes! We are taking a trip to the Rainbow Factory where we will become Superheroes for the day.

We are going to be learning all about the adventures of Supertato and Evil Pea and learn how to save the world by lunchtime with George. We are going to be doing some work on recycling and doing a recycling project of our own. This is the term when all our hard work really comes together and we

## Belongings!

As we are in the final term and the weather is becoming warmer, it is very important that all children's belongings are labelled as they like to take their jumpers off and leave them around. We do encourage the children to be re-
