

Year 3

Learning to do whilst at home – Autumn 2

Foundation subject activities:

- Look around your house and find push and pull forces
- Write a story about Space
- Create a Google Slides presentation about yourself in French
- Research Diwali and create a poster all about it
- Invent a Viking-themed outdoors game
- Create a piece of artwork that symbolises remembrance
- Use a map to discover the World's countries
- Design a Christmas decoration

Remember to **read, learn your spellings and practise your times tables** each day too!

- Practise your 3 and 4 times table.
- Use your learning journal to practise some spellings from the Year 3 and 4 spelling list.
- Read a book to yourself, or to an adult, for at least twenty minutes.
