

Learning from home

Here are a selection of learning activities for you to do over the next few days whilst you are isolating.

Choose one English and one Maths activity each day.

Writing

- Look at the story on the next page and complete the story that has been started for you.
- Watch [this short video](#) and then write about it. You may want to write as if you were one of the animals or just as an observer.
- Complete this learning on [suffixes](#).
- Recap your knowledge on [fronted adverbials](#).

Maths

Use the links below to consolidate your learning from Year 4 so far.

- [Partition numbers to 10,000.](#)
- [Round numbers to the nearest 10, 100 and 1000.](#)
- [Roman Numerals.](#)
- [Adding up to 4 digit numbers.](#)
- [Subtracting 3 and 4 digit numbers.](#)
- Spend 20 minutes each day on [Times Tables Rock Stars](#) or a different times table or maths game from [Topmarks](#).

Reading

- Read for 15 minutes each day. You can do this independently but spend some of this time reading to an adult or a sibling, making sure you're practising your expression.

Science

- Explore [how can patterns help us draw conclusions.](#)
- Look at [what a balanced diet is.](#)
- Look at [why a healthy lifestyle is important.](#)

Active

- BE ACTIVE! Do a [GoNoodle](#) activity, [a Super Movers activity](#), or be active in the garden. You could even find a Joe Wicks workout on YouTube.

Learning from home

Writing:

CRASH!

Lawrence was injured, afraid, lost and completely alone. He had been thrown viciously from the aircraft after the flock of birds had attacked the propellers.

As he laid there, listening to his racing heart, he wondered what would happen to him. How would he make it out alive?
